	AquaCare GmbH & Co. KG, Germany	R.O. systems, nano filtration, sea water desalination, sea water equipment: flotation, de-nitrification, measuring technique for labs, systems for hobby aquaristic
	AquaCare Egypt S.A.E., Ägypten	Sea water desalination, water purification, R.O. systems, sewage treatment
	AquaCare Plastics, Egypt	Injection moulding parts; mould production
	AquaCare Sweden, Sweden	Distribution of sea water equipment in Scandinavia
	Research Center Jülich, Germany	Biological de-nitrification (patent), flotation system (patent)
	NSN LTD., Iran	Distributions of sea water desalination, R.O. systems
	A. Technologies, Dubai	Distributions of sea water show aquaria and their components
	Osorno, Canada	Disinfections, membrane filtration, R.O. units distribution for Canada and USA research project “membrane disinfection”
	Avalon Institute of Applied Science; Canada	Distribution of sea water equipment in Canada and USA
	ISS Germany	PLC programming
	HEPU Germany	Circulation pumps for water with sediments and research project “aqua culture”
	Tropicarium Hungary	Distribution of sea water show aquaria
	Planete-aqua France	Distribution of sea water equipment in French speaking Europe (France, Switzerland, Belgium)
